FREE APPRAISAL
It's important to know what your apparatus is worth before you sell it!
Firetec Can Help: 800-347-3832

www.usedfiretrucks.com
800-347-3832

The largest used fire and emergency apparatus brokerage in North America.
Your Fire Apparatus is our top priority. All day. Every day.

We don't own any used fire trucks. Our top priority is selling your used fire truck.

We don't collect payment for your apparatus. You get paid directly by our buyer.

FIRETEC offers:

- 30 successful years in the used apparatus market.
- pricing help so you realize full market value for your apparatus.
- FREE print, internet and mobile advertising. You pay nothing to promote your apparatus; no fee is charged until we sell it.
- e-blasts, notifying waiting departments about new apparatus listings.
- the staff to answer questions in a timely manner.
- regular communication with sellers regarding current buyers.
- a regular trade show presence, insuring that you and your buyers have a real connection with us.
- continually improved technology and marketing strategies to insure your apparatus is in front of departments.
- friendly service - call to let us know how we can improve our service for you!
- the only Mobile APP in the industry

Firetec Has Waiting Buyers For Used Fire & Rescue Vehicles
The apparatus pictured represent a sampling of recent Firetec Connections. We offer personalized, friendly service, 30 years of industry knowledge, and tens of thousands of repeat customers.

NOW LISTING UNITS WHICH WILL BE AVAILABLE IN 2014

If you have a fire truck for sale, we will provide a fair market value analysis. It’s important that you know the value of your apparatus before you sell it. It is our goal to sell it for a fair price.

If you are looking for a used fire truck, we are going to find the one to suit your needs. We don’t own any trucks. We will not push you toward one which is not ideal for your community.

Get On Our Want List For An Alert When The Truck You Need Is Listed!

Wondering What Your Truck is Worth?
